Ranson Animal Hospital
407 North Mildred Street
Ranson, WV 25438
Phone: 304-724-5055 Fax: 304-724-7053

Pre-Surgery Instructions:

- ❏ No food after 10:00pm the night before surgery.
- ❏ No water after 4:30am the morning of surgery.
- ❏ Spay Today voucher must accompany pet at time of drop off, or be faxed to vet office before the date of surgery.
- ❏ Drop-off time is between 8:00am and 9:00am on the morning of surgery.
- ❏ For your pet's safety, please have cats in a carrier and dogs on a leash.
- ❏ If pet is pregnant, in heat, or weighs more than originally described, owner must pay the difference at Ranson Animal Hospital at the time pet is released. There will also be an additional charge for crypt-orchid males.
- ❏ Any services not on the Spay Today voucher will be charged at full price and must be paid to Ranson Animal Hospital at the time of patient discharge.
- ❏ To reschedule or cancel an appointment, please call the hospital first, then call Spay Today with the new appointment date.
- ❏ For your convenience, pets may be dropped off by 5:30pm the evening before surgery (with the exception of Wednesdays) for an additional boarding fee. Pets must be current on Rabies and Distemper vaccines in order to be admitted to the hospital overnight. If required vaccines are not current, they will be administered at the time of admission. Canine Bordetella is not a required vaccine, however it is strongly recommended. In addition, if fleas are seen on the pet at time of admission, or at any time during their hospital stay, treatment will be required at owner's expense.
- ❏ Surgeries are performed early in the day and the majority of pets should be recovered by 4:00pm. However, a staff member will call to advise you that your pet's procedure is complete, let you know how he/she is doing, as well as give you a suggested time of release for your pet.
- ❏ If Rabies vaccine is not included on Spay Today voucher, and not purchased, a valid Rabies Certificate must be presented at the time of admission or another Rabies Vaccine must be given at owner's expense. Double-vaccination is not harmful to your pet, but is an added unnecessary expense if previously administered.
- ❏ The pet's nails will be trimmed while under sedation at no charge to owner. If this service is not desired, please let admitting staff know at check-in.
- ❏ A new-client information sheet will be presented for owner to fill out and sign at time of admission. Please allow a few minutes at time of drop-off to complete form and speak to admitting staff member.
